

Synergy Pals®

A NEW Way of Whole Brain Learning

In The Friendly Universe, take the child you love along on the quest of four teenagers who begin as strangers and end as Synergy Pals. Forced to break their old patterns, the pals interact in worlds both real and imagined and meet mythical friends who reveal the secrets of the Heartwood Tree. This child-appropriate adventure shows the wonderful differences between people, as truth waits patiently for the pals to find it, and transforms their struggle into an empowering synergy.

- Synergistic way to power individual learning capabilities
- Unique teaching system
- Four types make a good fit
- Jump start successful learning
- Tested teaching methodology
- Jump start a lifetime of successful learning
